RENEWAL

BRITANNIA
COMMUNITY
SERVICES CENTRE
PLANNING +
DEVELOPMENT
COMMITTEE

Planning and Development Committee meetings fall on the 3rd Tuesday of the month from 7-9 pm and are always open to the public. Visit our website for upcoming agendas and past minutes.

Ongoing updates and opportunities to provide your input are available at the B-LAB! Community Living Room in Britannia's Info Centre (drop by!)

The first phase of the Britannia Renewal planning is complete. Thanks to everyone who participated in our Speaker Series, Focus Groups, and Spaces and Places Workshops, and also to those who dropped by the B-LAB or one of our community event tables to share their ideas. Our consultant team have compiled community feedback, researched previous planning efforts, met with staff, and reviewed city and district reports. In the second phase of Britannia Renewal, our consultants will review all this data and put together options for the community to explore, including the types of programming and community spaces that will support the hopes and dreams of our neighbourhood. In September, the community will be able to review and comment on different Britannia Renewal options.

All reports from our community consultation events and activities are now available on our Britannia Renewal website - you can check out our resource library to find out what your fellow community members have shared about their vision for Britannia.

Remember that the B-LAB is still open in the Britannia Info Centre with ongoing updates and feedback opportunities, and make sure to come find us at upcoming community events like Artful Sundays and the McSpadden Country Fair!
