Programs & Services Fall 2017

President's Message

Another full summer has passed with the festivals, events, programs and activities that go along with it here at Britannia. Highlights include the naming of the ʔxwq̓eləwən ct Carving Centre and a return to Grandview Park the Britannia Centre Canada Day celebration. The naming of ʔxwq̓eləwən ct Carving Centre was a historic event. The name was jointly chosen by the Musqueam, Squamish and Tsleil-Waututh nations, One heart, one mind - "Feelings" is in spirit of an artist's expression of feelings through their artwork, that shares the Coast Salish peoples history, culture, teachings and connection to the land.

More than forty years ago, this site was developed with an innovative model that integrates services, with the specific goal of using the best efforts of all partner agencies to create a strong community centre. This centre became the heart of a hub that includes Grandview-Woodland, Strathcona and DTES. This past spring Britannia and the city lost one of the individuals integral to the formation of the Britannia site. Amongst many accomplishments, John Minichiello led the initiative to create the site, fought against the proposed freeway that would have put it at risk, and continued throughout his life to lead, mentor and support. John's memory will live on at Britannia, in the many ways he contributed.

In 2017 we have before us a continuing community consultation that will create the facilities renewal plan for the centre that has contributed so much to the health and vibrancy of this city. Working together we have embarked on a journey that has built a strong community, and together we will re-new the site that is at the centre of that community. Many workshops have been held to hear input from a wide variety of interest groups, and the consultation will continue through the fall. Please attend.

September will bring the board together after the summer break and it is exciting to be re-elected to chair. The Britannia Board of Management is a volunteer board elected from the community, by the community. Each individual brings their expertise and perspective to the board; the work that they do allows your community centre to move forward and thrive with new initiatives and on-going programs. We work closely with our partners the VSB, the COV & PB, and we provide space and place for community groups and organizations to find a home in the community. Welcome to all new and returning board members, and to all the members we serve, please find the program you look for in the brochure.

Thank you,
Gwen Geisbrecht

Britannia Planning and Development Committee

Fall 2017 Committee Meeting Dates

Tuesdays 7:00-9:00pm, Sep 19, Oct 17, Nov 21

Members of the committee advise the Britannia Board on matters related to the Renewal. They collaborate with Urban Arts Architecture on the consultations and work with the partner organizations in the planning process. They receive, review provide feedback on proposals and discuss 'BIG' issues in the community such as the direction from the City to consider housing on the site. Over the summer the P&D Committee Housing Working Group met to help plan the housing forum that will be held on Thursday September 21. Guided by Britannia Planning Principles, Land-use principles and the draft housing principles the role of the working group is to engage the community on this very important and complex issue.

We hope that the community will be able to provide the Board with clear direction regarding the issue of housing on the site.

RENEWAL

The first phase of the Britannia Renewal planning is complete, Urban Arts Architecture have researched previous planning efforts, gathered with community, met with staff and reviewed city and district reports and presented visionary speakers. In the second phase UAA will review all this data and compile a list of the types of programming spaces that will support the hopes and dreams of our neighbourhood. In September the community will be able to review and comment on this list, bearing in mind that we have limited resources and our decisions will be based in the best interest of the community. YOU MAY HAVE ASKED FOR AN EQUESTRIAN CENTRE BUT WE MAY HAVE TO SETTLE FOR A COMMUNITY GARDEN THAT COULD HOST VISITING HORSES! Our goal is to support the social development of ALL in our community, particularly the most vulnerable and to work together to look into the future and figure out how best to do this.

Thank you to everyone who participated with thoughtfulness, brilliance and inspiration.

Reconciliation in Action

The Britannia Community Services Society and community partners invite you to join with other groups and residents for the third annual Reconciliation in Action (RIA): Drive the Change Community Gathering and Celebration. The event will be an opportunity to explore the meaning of reconciliation in the multicultural Grandview-Woodland neighbourhood and the role we can all take in making reconciliation a reality. The Event will include a variety of interactive, fun and educational activities, cultural performances and a Community Feast and will feature the Youth Matters Community Accountability Pledge Signing Ceremony. Youth Matters is a broad coalition of community and government agencies in Vancouver who are coordinating efforts to help address the gaps in support for inner city youth at risk. Child Care Mission Statement

To provide a range of safe, stimulating and nurturing Child Care programs that respect and embrace each child and family.

About our Child Care programs

Each of our programs is a unique reflection of its history, the community it serves, its staff members and its families, past and present. We believe that children learn about themselves, others and the world around them through play and creative expression. This allows children to learn naturally and practice important skills in the following areas:

Social:	Communication, friendship skills, conflict resolution, sharing and co-operation.
Intellectual:	Language and self-expression, problem solving, critical thinking, kindergarten readiness skills.

Britannia Micro Footie 2018

www.britanniasoccer.org

The 25 year History of Micro Footie at Britannia

Twenty-five years ago, Jason Kyle walked through Britannia's doors proposing to offer a spring recreational soccer program for kids. In its first year 30 kids registered. The following year, registration doubled and the year after that, it doubled again. In year 4 something magic happened. Jason decided to have the kids play for a World Cup country. The program format changed, the field was decorated with World Cup country flags and team shirts changed to replicate a country. The result was that players LOVED playing World Cup Micro Footie!

With Jason's leadership and vision over the past 25 years, and with Britannia's support, Micro Footie has grown in popularity and has become a spring time ritual to over 1300 community families. The program itself sells out within minutes and we have attempted to keep up with demand by expanding to 4 East Van fields: Empire Bowl, Britannia Oval, Garden and Robson Parks.

In Micro Footie, the goal is to create a small sided game that encourages lots of soccer ball touches, scoring opportunities and for players to play free without constraints to develop their skills, creativity and communication with team work and without the additional pressure of winning. We conclude each season with an official World Cup tournament where winning does matter. Micro Footie was the first club in Canada to partner with Scottish Champions Celtic FC and for the past 3 years, Celtic FC have provided professional coaching for our summer soccer camps. Jason's year round MF development program has grown significantly and very quietly proving itself as a vehicle in developing creative skillful players. He has had four graduates of his program sign pro. In 2016 during the BC Summer Games, a team of predominantly Micro Footie development players and coached by Jason went undefeated playing the best in BC. At a showcase with IMG, an event which included over two hundred players from all over North America, Micro Footie player Rupert Postma was picked as a standout and was sent to Glasgow for a specialized training camp.

Over the years, Jason Kyle's dedication, loyalty and passion to develop the sport of soccer in the Britannia Community is to be admired and applauded. Thank you Jason! Check out the many events and surprises we will host to celebrate 25 years of Micro Footie in the Britannia Community at www.britanniasoccer.org!
