Participation limit: maximum of 8

Fee: \$10/participant

Location: Rink Activity Room

Age limit: minimum of 18 years of age

Registration Code: 110375

Workshop description:

Participants will learn to make a book using the simplest of bookbinding techniques called "pamphlet stitch". With this technique, you can produce a journal, photo album or sketch that is low-key or as puzzling and unruly as you would like. Participants will have opportunities to make several books.

No prior bookbinding experience is necessary. Please bring materials to take notes with. All other supplies and tools will be provided.

Suzan Lee is a professional artisan, known for her handmade books and her work as an excellent workshop facilitator teaching a variety of bookbinding techniques.
