

## WHO ARE WE

Lord Nelson Child Care offers a safe and engaging space for each child to learn and play.

We believe that play should be free, inclusive, creative and active, and that play is essential in promoting the physical, social and emotional health of each child.

Through our stimulating programming, we support each child as they grow in their understanding of diversity and social responsibility, and as they develop emotional intelligence, social and self-awareness, and independence.

## WHAT WE OFFER

- ✓ Free play centres for fine and gross motor development
- ✓ Diverse and compassionate staff
- ✓ Field trips and workshops in science, nutrition, arts, music, dance, sports and more
- ✓ Nutritionally balanced snacks
