Welcome back to Britannia Out of School Care. Hope you had an excellent holiday! This year, we will be focusing on a weekly arts & craft idea and continuing with that idea in many other ways. We have brought back Red Fox Healthy Living Society back to our program. They offer active play through circus arts, sports and active games and provide Indigenous programming to children. We continue to promote Play it Fair and Random Acts of Kindness in our program.				Did you use your W. I. T. S today? WALK AWAY- IGNORE-TALK IT OUT- SEEK HELP Our program uses the WITS model to teach children what to do when they are in a conflict with one another.
