

Board Member Moving out of Area

Britannia

If a Board of Management Member living within the area moves out of area, they be allowed to complete the current year of their term, but they must run for re-election at the next annual general meeting as an out of area candidate.

If a Board of Management Executive Member living within the Grandview Woodland and Strathcona area moves out of area during their term of office, they be allowed to complete the current year of their term; regardless of whether this will result in less than three of the Executive members living in area during that period of time.

Approved May 1998
