President's Message

In 2022, Britannia is dreaming big. After over two years of weathering two pandemics (COVID-19 and the toxic drug supply), we're daring to dream of all the ways that we can connect with community members and create platforms and spaces where community members can connect with each other, heal, and celebrate resilience.

We have many wonderful things to look forward to this spring:

- We're thrilled to bring you the 1st Annual Shine: Intercultural Spring Market on March 20. From beading workshops, to creations from BIPOC artists and makers, and amazing food—we can't wait for community members to come together to share, laugh, and connect.
- The Britannia Art Gallery reopened after a closure for construction and we have a full slate of exhibitions featuring local artists planned this Spring (see page 7).
- We have three Carvers in Residence who are turning cedar logs into beautifully carved benches. The benches will be unveiled in late spring!
- Artist Ejiwa "Edge" Ebenebe is engaging with community members to design a Black Lives Matter mural at Britannia. We've had one youth visioning session so far, and we look forward to engaging more community members soon.
- Our AGM is coming up on May 25, where you can run for Britannia's Board of Management! Our board members play an important role in guiding us on a path that reflects community aspirations.

Of course, nothing involves more "dreaming big" than the Britannia Renewal. We've now entered into Phase 1 of the Renewal, which involves rezoning for building one, the new Pool and Fitness Centre. We dream of a future where our facilities can provide necessary infrastructure for promoting community resilience; where our programs can be pillars of social connection; and where we can provide low-barrier access to recreation, arts, and culture.

Most importantly, we want the future of Britannia to reflect your dreams; share your vision of the future with us at upcoming Renewal community engagement events or join a committee. See page 6 for more details.

Britannia Renewal

Board of Management Update on the Britannia Renewal

In July 2018, the Board issued a response to the Britannia Renewal Master Plan to recommend that City Council approve the Master Plan. The response involved general support to proceed with the next phase of the project, while expressing opportunities for further discussion and clarification.

After over three years of listening to our community, residents, staff and partners, we have drafted an updated Board Response to the Master Plan; this document is a record of the Board's position on the major areas of focus brought up in 2018, including:

- Project phasing
- Site organization and interconnection
- Location on the land and views
- Building height and massing
- Green spaces
- Social and Cultural non-profit Hub
- Non-market housing, and
- Operating Agreements

This update provides clarity on the perspective of the Board as it relates to the Renewal at this point in the process.

To read the full report, visit britanniarenewal.org or visit the B-Lab in the Britannia Information Centre to access a printed copy.

Site Options: Spring 2022

As of January 2022, the project is in the midst of Phase 1, which includes the rezoning of the site and the detailed design and construction of Building 1 made up of the pool, fitness centre, gyms, child care, non-market housing, offices, and programming spaces.

Perkins&Will—the architecture firm contracted by the City of Vancouver for this phase—will be presenting site options as part of the rezoning process in advance of the rezoning application in spring 2022.

Child Care Mission Statement

To provide a range of safe, stimulating and nurturing child care programs that respect and embrace each child and family.

About our Child Care Programs

Each one of our programs is a unique reflection of its history, the community it serves, its staff members and its families, past and present. We believe that children learn about themselves, others and the world around them through play and creative expression. This allows children to learn naturally and practice important skills in the following areas:

Social:	Communication, friendship skills, conflict resolution, sharing and cooperation.
Intellectual:	Language and self-expression, problem solving, critical thinking, kindergarten readiness.
Physical:	Large muscle and fine motor skills, safety and self-care skills (health, hygiene, large and fine motor development).
Creative:	Self expression and concept development.
Emotional:	Development of healthy self-esteem, self-confidence, self-awareness and ability to deal appropriately with emotions.

About our Staff

All of our staff are qualified as Early Childhood Educators, Special Needs Educators, Child and Youth Care Counsellors, or are Responsible Adult certified. The number of additional staff for each program is dependent upon the type of program and is always in accordance with child/staff ratios set by child care licensing regulations.

All staff, substitutes, students and volunteers are required to have a clear Criminal Record Search in accordance with child care licensing regulations.
