Message From Britannia's Board

Your Board of Management has been working on a Strategic Plan that will guide Britannia staff, board, and committees to ensure our work aligns with our shared goals, principals, and values. Provide your feedback on our draft of the plan and help shape the future of Britannia.

The plan is rooted in the following principles:

- Community connectivity
- Health and wellness
- Social justice and equity
- Accessibility
- Cultural interaction
- Active networks
- Sustainability
- Innovation
- Accountability

In the next five years we commit to:

- Empowering people and communities
- Embracing Indigenous values and practices
- Offering low barrier programs, services, and opportunities
- Nurturing creativity in inclusive spaces
- Developing and strengthening partnerships
- Enhancing organizational capacity

The plan also includes changes to our Vision and Mission statement:

Our dream is:

The well-being, sense of belonging, joy and empowerment of everyone in our communities.

To realize our dream:

We are stewards of spaces that support social connection, creativity, recreation, and the realization of the full potential of people and communities. In partnership with our communities we create integrated programs, services, and opportunities on the unceded territories of the x̱məθkʷəy̱əm (Musqueam), Sḵw̱x̱wú7mesh (Squamish), and selilwetaʔ / selilwitulh (Tseil-Waututh) nations.

Discussion: Event Organizing Through the Lens of Multicultural Reconciliation

Every year Britannia hosts a Canada Day event. As a matter of tradition, this event has been celebrated by Britannia since the '70s. Given the Society's commitment to Reconciliation, discussions about the purpose and meaning of this event are ongoing within our organization. Britannia would like to create more inclusive and culturally appropriate events that reflect the communities we serve, celebrate the diversity within Grandview-Woodlands, and bring our community together.

Britannia is calling our community together to participate in a facilitated discussion about how to create a framework for inclusive event planning for national holidays and other celebrations, such as Indigenous Peoples Day, Canada Day, Thanksgiving, Orange Shirt Day, LGBTQ2IA+ Pride, and Britannia's own annual Reconciliation in Action event.

We would like to enrich our event planning practices by consulting with our community and benefiting from the different lenses that our diverse community will bring to the discussion, and ultimately co-create a multicultural Reconciliation framework that our community can share.

If you would like to attend, please RSVP by emailing: jessica.hill@vancouver.ca.

Beyond the Blue Box: Plastics & Electronics Recycling at Britannia

Every third Saturday of the month, Britannia Centre sponsors a recycling depot where recyclers can dispose of electronics, Styrofoam, and plastic items that the City of Vancouver can't take. Pacific Mobile Depots (PMD), based in Victoria, collects plastics and other materials, then sells them to small BC factories to repurpose. pmdrecycling.com.

For a small price you can get rid of the plastic bags in your cupboards, broken plastic toys in the basement, and a host of other items such as foil-lined materials, car seats, bike tubes, wires and cables, electronics, small appliances, and metal objects. Bring your recycling so that it can be repurposed. Proceeds go to PMD and Britannia Centre.

Mother's Day Traditional Powwow

Get Involved! Help Plan the 2020 Powwow

Established in the summer of 1984, the East Vancouver Mother's Day Traditional Powwow was a fixture in Vancouver's urban Indigenous community for 26 years. The event was initiated by the local Indigenous community and the Cedar Cottage Neighborhood House with support from the City of Vancouver. In 2018, the Powwow was revived with the intention to honour and uplift women and life-givers in the community, as well as provide an opportunity to generate greater advocacy and awareness surrounding Missing and Murdered Indigenous Women and Girls and violence against women and girls. Further, it provided a celebration space for the local community to learn, share, and experience the rich, diverse cultural teachings of the urban Indigenous peoples and build stronger local connections.

With the new year approaching, we would like to extend an invitation and call our community together, begin the initial planning phase, and establish the 2020 Powwow Committee and sub-committees. Britannia remains keen on enriching our event planning practices by consulting with our community and benefiting from the different lenses that our diverse community will bring to the discussion.

We would be honored to have you join us for our first 2020 Powwow committee meeting. A catered lunch will be provided to all in attendance. Please ensure that you send your RSVP, questions, and any dietary restriction requests to Teka Everstz at teka.everstz@vancouver.ca with the subject heading: "2020 Powwow".

Child Care Mission Statement

To provide a range of safe, stimulating and nurturing child care programs that respect and embrace each child and family.

About our Child Care Programs

Each one of our programs is a unique reflection of its history, the community it serves, its staff members and its families, past and present. We believe that children learn about themselves, others and the world around them through play and creative expression. This allows children to learn naturally and practice important skills in the following areas:

- Social:** Communication, friendship skills, conflict resolution, sharing and co-operation.
- Intellectual:** Language and self-expression, problem solving, critical thinking, kindergarten readiness skills.
- Physical:** Large muscle and fine motor skills, safety and self-care skills (health, hygiene, large and fine motor development).
- Creative:** Self expression and concept development.
- Emotional:** Development of healthy self-esteem, self-confidence, self-awareness and ability to deal appropriately with emotions.

About our Staff

All of our staff are qualified as Early Childhood Educators, Special Needs Educators, Child and Youth Care Counsellors, or are Responsible Adult certified. The number of additional staff for each program is dependent upon the type of program and is always in accordance with child/staff ratios set by child care licensing regulations. All staff, substitutes, students and volunteers are required to have a clear Criminal Record Search in accordance with child care licensing regulations. **Visit britanniacentre.org for more information.**
