President's Message

I'd like to thank our dedicated staff and volunteers for making our Fall 2021 season so successful. We welcomed our community back to the site as we offered in-person programs and services at an increased capacity, while still offering virtual programs for those who feel more comfortable staying home. Our staff, board, volunteers, partners and neighbours also went above and beyond for Orange Shirt Day, West Coast Family Day, and Powwow Family Day.

Over 5000 community members showed up and showed their support on Orange Shirt Day—a real testament to community resolve to work towards reconciliation. After such a heart-wrenching year with the recovery of so many unmarked graves and stolen children, it was so important to bring community together to honour Indigenous children past and present, those still lost and those who have been found. *Every child matters*, and the sea of orange shirts made that statement come to life. How'aa.

3000 people attended West Coast Family Day and 5000 attended the Powwow Family Day. We are grateful to West Coast Nights and the Powwow Committee for activating space and organizing two days of action. We were honoured to hold space for those committees and the urban Indigenous community, and to help lift spirits after Orange Shirt Day. We look forward to holding that space again in the future.

As we look to 2022, our sights are focused on the Britannia Renewal. We spent much of 2021 holding space, asking questions and listening; we want the future of Britannia to reflect the aspirations of community members. Our 2022 board priorities and our work on the Renewal will reflect what we've been hearing. We want to hear your voice too, so please see page 6 for more information about our 2022 Renewal engagements and to learn how you can get involved.

As the pandemic lingers on, we ask you to do your part in caring for vulnerable community members. Please continue to mask indoors and get vaccinated if you can. Masking and vaccinations are an act of community care and help protect elderly and immunocompromised individuals.

We move forward by working together.

How'aa (Haida for 'thank-you'),

Britannia Renewal

In 2018, project partners (the City of Vancouver, Vancouver Park Board, Vancouver School Board, Vancouver Public Library and Britannia Community Services Society) adopted a Master Plan that sets out the vision for the renewal of the Britannia Community Services Centre. Review the Master Plan and other reports in our online document library: britanniarenewal.org/document-library

What's happening?

We are now working on the rezoning phase of the renewal. Rezoning is the process of changing how a property can be used or developed. Before we submit a formal rezoning application for the renewed Britannia, we will explore a series of development site options to discuss priorities for dedicated and shared space, trade-offs, and to find creative solutions to meet the diverse needs of the community. Some of the considerations that will inform site options include:

- Site organization and interconnections between spaces
- Scale of buildings
- Preserving and increasing green space
- Preserving view corridors
- Opportunities for non-market housing including number of units and height

Get Involved

Upcoming Engagement Opportunities

In early 2022 we will be hosting small group workshops, visioning sessions, and an online survey to get your input on the site options. Your input will help us develop a preferred site option, which will be presented at a public open house in spring 2022.

Child Care Mission Statement

To provide a range of safe, stimulating and nurturing child care programs that respect and embrace each child and family.

About our Child Care Programs

Each one of our programs is a unique reflection of its history, the community it serves, its staff members and its families, past and present. We believe that children learn about themselves, others and the world around them through play and creative expression. This allows children to learn naturally and practice important skills in the following areas:

Social:	Communication, friendship skills, conflict resolution, sharing and cooperation.
Intellectual:	Language and self-expression, problem solving, critical thinking, kindergarten readiness.
Physical:	Large muscle and fine motor skills, safety and self-care skills (health, hygiene, large and fine motor development).
Creative:	Self expression and concept development.
Emotional:	Development of healthy self-esteem, self-confidence, self-awareness and ability to deal appropriately with emotions.

About our Staff

All of our staff are qualified as Early Childhood Educators, Special Needs Educators, Child and Youth Care Counsellors, or are Responsible Adult certified. The number of additional staff for each program is dependent upon the type of program and is always in accordance with child/staff ratios set by child care licensing regulations.

All staff, substitutes, students and volunteers are required to have a clear Criminal Record Search in accordance with child care licensing regulations.

The Grandview Woodland Food Connection is excited to announce that after a long and successful partnership with Britannia, we have decided to take the next step and have the GWFC become a full fledged part of Britannia. This will allow our programs to be (even) more integrated, our resources to stretch even farther, and our community to be more supported. Together we've been supporting healthy and dignified food access to all and we will continue to do so. Our existing Advisory Committee will continue to meet on the first Wednesday of every month. Please contact Ruth Elizabeth if you'd like to join us.

The Zoom sessions combine fun, online cooking and food-based activities with easy-to-understand nutrition information, self-directed individual and group goal-setting, and reflection that will reinforce individual and group progress. FoodFit respects the limits of people's circumstances, and aims to give participants simple, useful tools to navigate an increasingly complex food environment.
