Silver Bells

Silver Bells, Silver Bells
It's Christmas time in the city
Ring-a-ling, hear them ring
Soon it will be Christmas Day

City sidewalks
Busy sidewalks
Dressed in holiday style
In the air there's
A feeling of Christmas
Children laughing
People passing
Meeting smile after smile
And on every
Street corner you'll hear

Silver Bells, Silver Bells
It's Christmas time in the city
Ring-a-ling, hear them sing
Soon it will be Christmas Day

Strings of street lights
Even stoplights
Blink a bright red and green
As the shoppers rush home
With their treasures
Hear the snow crunch
See the kids bunch
This is Santa's big scene
And above all
This bustle you'll hear

Silver Bells, Silver Bells
It's Christmas time in the city
Ring-a-ling, hear them sing
Soon it will be Christmas Day
Silver Bells, Silver Bells
It's Christmas time in the city
Ring-a-ling, hear them sing
Soon it will be Christmas Day
Soon it will be Christmas Day
Soon it will be Christmas Day
Soon it will be Christmas Day

Soon it will be Christmas Day

Seasons Of Love

[All:]

525,600 minutes
525,000 moments so dear
525,600 minutes
How do you measure, measure a year?

In daylights, in sunsets, in midnights, in cups of coffee
In inches, in miles, in laughter, in strife
In 525,600 minutes
How do you measure a year in the life?

How about love?
How about love?
How about love?
Measure in love
Seasons of love
Seasons of love

[Joanne:]

525,600 minutes
525,000 journeys to plan
525,600 minutes
How do you measure the life of a woman or man?

[Collins:]

In truths that she learned, or in times that he cried
In bridges he burned, or the way that she died

[All:]

It's time now to sing out
Though the story never ends
Let's celebrate, remember a year
In the life of friends

[All & Joanne:]

Remember the love
You got to, you got to remember the love
Remember the love
You know that love is a gift from up above
Remember the love
Share love, give love, spread love
Measure in love
Seasons of love
Seasons of love
Measure, measure your life in love

We Wish You a Merry Christmas

Once in a year, it is not thought amiss
To visit our neighbors and sing out like this

We wish you a merry Christmas
We wish you a merry Christmas
We wish you a merry Christmas
And a happy New Year
We wish you a merry Christmas
We wish you a merry Christmas
We wish you a merry Christmas
And a happy New Year
Good tidings we bring to you and your kin
We wish you a merry Christmas
And a happy New Year

We all want some figgy pudding
We all want some figgy pudding
We all want some figgy pudding
And a cup of good cheer
And we won't go until we get some
We won't go until we get some
We won't go until we get some
So bring it right here
Good tidings we bring to you and your kin
We wish you a merry Christmas
And a happy New Year
A happy New Year

Once in a year, it is not thought amiss
To visit our neighbors and sing out like this
Of friendship and love, good neighbors abound
And peace and goodwill the whole year around

(Pace!) (Shanti!) (Salud!) (Shalom!)
The words mean the same, whatever your home
Why can't we have Christmas the whole year around?
Why can't we have Christmas the whole year around?

We wish you a merry Christmas
We wish you a merry Christmas
We wish you a merry Christmas
And a happy New Year
We wish you a merry Christmas
We wish you a merry Christmas
We wish you a merry Christmas
And a happy New Year

Hurt

I hurt myself today
To see if I still feel
I focus on the pain
The only thing that's real
The needle tears a hole
The old familiar sting
Try to kill it all away
But I remember everything

[Chorus]

What have I become
My sweetest friend?
Everyone I know
Goes away in the end
And you could have it all
My empire of dirt
I will let you down
I will make you hurt

[Verse 2]

I wear this crown of thorns
Upon my liar's chair
Full of broken thoughts
I cannot repair
Beneath the stains of time
The feelings disappear
You are someone else
I am still right here

[Chorus]

What have I become
My sweetest friend?
Everyone I know
Goes away in the end
And you could have it all
My empire of dirt
I will let you down
I will make you hurt

[Outro]

If I could start again
A million miles away
I would keep myself
I would find a way

Viva La Vida

I used to rule the world
Seas would rise when I gave the word
Now in the morning I sleep alone
Sweep the streets I used to own

I used to roll the dice
Feel the fear in my enemy's eyes
Listen as the crowd would sing
Now the old King is dead, long live the King
One minute I held the key
Next the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand

I hear Jerusalem bells are ringing
Roman Cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
Once you'd gone there was never
Never an honest word
And that was when I ruled the world

It was the wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become
Revolutionaries wait

For my head on a silver plate
Just a puppet on a lonely string
Oh, who would ever want to be king?
I hear Jerusalem bells are ringing
Roman Cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world

Oh-oh-woah, oh-oh, oh
Oh-oh-woah, oh-oh, oh
Oh-oh-woah, oh-oh, oh
Oh-oh-woah, oh-oh, oh
(Oh-oh-woah, oh-oh, oh) I hear Jerusalem bells are ringing
(Oh-oh-woah, oh-oh, oh) Roman Cavalry choirs are singing

(Oh-oh-woah, oh-oh, oh) Be my mirror, my sword and shield
(Oh-oh-woah, oh-oh, oh) My missionaries in a foreign field
(Oh-oh-woah, oh-oh, oh) For some reason I can't explain
(Oh-oh-woah, oh-oh, oh) I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world

[Outro]
Mmm, mmm, mmm, mmm
Mmm, mmm, mmm, mmm
Mmm, mmm...

You're Welcome

[Verse 1]

Okay, okay, I see what's happening here
You're face-to-face with greatness and it's strange
You don't even know how you feel, it's adorable
Well, it's nice to see that humans never change
Open your eyes, let's begin
Yes, it's really me, it's Maui, breathe it in
I know it's a lot: the hair, the bod
When you're staring at a demigod

[Chorus]

What can I say except "you're welcome"?
For the tides, the sun, the sky
Hey, it's okay, it's okay, you're welcome
I'm just an ordinary demi-guy!

[Verse 2]

Hey, what has two thumbs and pulled up the sky
When you were waddling yay high? This guy
When the nights got cold, who stole you fire from down below?
You're looking at him, yo!
Oh, also I lassoed the sun, you're welcome
To stretch your days and bring you fun
Also, I harnessed the breeze, you're welcome
To fill your sails and shake your trees

[Chorus]

So, what can I say except "you're welcome"?
For the islands I pulled from the sea
There's no need to pray, it's okay, you're welcome
I guess it's just my way of being me
You're welcome, you're welcome

[Verse 3]

Well, come to think of it
Kid, honestly, I can go on and on
I can explain every natural phenomenon
The tide, the grass, the ground
Oh, that was Maui just messing around
I killed an eel, I buried its guts
Sprouted a tree, now you've got coconuts
What's the lesson? What is the takeaway?
Don't mess with Maui when he's on the breakaway
And the tapestry here in my skin
Is a map of the victories I win
Look where I've been, I make everything happen
Look at that mean mini Maui just tippity tapping

Ha, ha, ha, ha, ha, ha, hey

[Chorus]

Well anyway, let me say "you're welcome"
For the wonderful world you know
Hey, it's okay, it's okay, you're welcome
Well, come to think of it, I gotta go
Hey, it's your day to say "you're welcome"
'Cause I'm gonna need that boat
I'm sailing away, away, you're welcome
'Cause Maui can do everything but float
You're welcome, you're welcome

[Outro]

And thank you!

Hallelujah

[Verse 1]

I've heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do you?
It goes like this: the fourth, the fifth
The minor fall, The major lift
The baffled king composing "Hallelujah"

[Chorus]

Hallelujah, Hallelujah
Hallelujah, Hallelujah

[Verse 2]

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew you
She tied you to a kitchen chair
She broke your throne, she cut your hair
And from your lips, she drew the "Hallelujah"

[Chorus]

Hallelujah, Hallelujah
Hallelujah, Hallelujah

[Verse 3]

Maybe I have been here before
I know this room, I've walked this floor
I used to live alone before I knew you
I've seen your flag on the marble arch
Love is not a victory march
It's a cold and it's a broken "Hallelujah"

[Chorus]

Hallelujah, Hallelujah
Hallelujah, Hallelujah

[Verse 4]

There was a time you let me know
What's real and going on below
But now you never show it to me, do you?
And remember when I moved in you?
The holy dark was moving, too
And every breath we drew was "Hallelujah"

[Chorus]

Hallelujah, Hallelujah
Hallelujah, Hallelujah

[Verse 5]

Maybe there's a God above
And all I ever learned from love
Was how to shoot at someone who outdrew you
And it's not a cry you can hear at night
It's not somebody who's seen the light
It's a cold and it's a broken "Hallelujah"

[Outro]

Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

You're a Mean one Mr Grinch, Santa Baby, Christmastime is Here

You're a Mean one Mr Grinch

You're a mean one, Mr. Grinch.
You really are a heel.
You're as cuddly as a cactus,
You're as charming as an eel,
Mr. Grinch.
You're a bad banana with a greasy black peel.

You're a monster, Mr. Grinch.
Your heart's an empty hole.
Your brain is full of spiders.
You've got garlic in your soul, Mr Grinch.
I wouldn't touch you with a
Thirty-nine and a half foot pole.

You're a vile one, Mr. Grinch.
You have termites in your smile,
You have all the tender sweetness of a seasick crocodile,
Mr Grinch.
Given the choice between the two of you,
I'd take the seasick crocodile.
You're a foul one, Mr. Grinch.
You're a nasty wasty skunk.
Your heart is full of unwashed socks.
Your soul is full of gunk, Mr Grinch.
The three best words that best describe you,
Are as follows, and I quote"

Stink!
Stank!
Stunk!

Santa Baby

Santa baby, just slip a Sable under the tree for me
Been an awful good girl
Santa baby, and hurry down the chimney tonight

Santa baby, an outer space convertible too, light blue
I'll wait up for you, dear
Santa baby, and hurry down the chimney tonight

Think of all the fun I've missed
Think of all the ladies that I haven't kissed
Next year I could be oh so good
If you check off my Christmas list

Santa honey, I want a yacht and really that's not a lot
Been an angel all year
Santa baby, and hurry down the chimney tonight

Santa cutie, there's one little thing I really need
The deed to a platinum mine
Santa cutie, and hurry down the chimney tonight

Santa baby, and fill my stocking with the duplex and checks
Sign your 'x' on the line
Santa baby, and hurry down the chimney tonight

Come and trim my Christmas tree
With some decorations bought at Tiffany's
I really do believe in you
Let's see if you believe in me

Santa baby, forgot to mention one little thing
A ring, I don't mean on the phone
Santa baby, and hurry down the chimney tonight
Hurry down the chimney tonight
Hurry, tonight

Christmas Time is Here

Christmas time is here
Happiness and cheer
Fun for all that children call
Their favorite time of the year
Snowflakes in the air
Carols everywhere
Olden times and ancient rhymes
Of love and dreams to share
Sleigh bells in the air
Beauty everywhere
Yuletide by the fireside
And joyful memories there
Christmas time is here
We'll be drawing near
Oh, that we could always see
Such spirit through the year
Oh, that we could always see
Such spirit through the year...
