

Increase your comfort level with current technology

Free Computer Literacy, Digital Skills and Internet Safety workshops.

Feeling isolated?

Looking for new ways to connect with others?

Ready to learn some new computer skills?

Our **FREE** Digital Literacy Skills Program is for YOU!

Online workshops & one-to-one sessions every week!

Workshop topics include:

- Basic computer set up, settings and passwords
- Introduction to typical MS Office programs
- Online safety for Youth, Adults and Seniors
- And many more!

All you need to participate:

- Internet/Wi-Fi access
- A smartphone, tablet, laptop or desktop computer that also has a microphone and camera
- Conversational English

The YMCA Digital Skills Literacy Program is available for free to everyone, including seniors, adults, youth and families, and newcomers to Canada!

To join an online workshop or set up a one-to-one appointment, just contact:
